Mr. Allen Pugh
Chief Executive Officer
Gsolutionz Inc.
1650 Palma Drive, Suite 201
Ventura, California, 93003

Dear Mr. Pugh:

I would like to take the opportunity to thank you and your employees for the outstanding service that we have recently received at our new Raytheon facility in Oxnard. Collectively, Randy Boring and Marcus Merchant's on-site/on-call approach has ensured continual operation through prompt installation and remarkable support. Your team has done an outstanding job supporting our operation.

Sincerely,

Heath Holley
